Sugar

Bikini Kill

Oh baby! Yr sooo good
Yr so fucking big & hard
Yr such a big man
You've got such a huge cock!
Push it in harder!
Oh DEEPER, HARDER
I'm almost cumming!
I'm almost cumming!
OH woh woh woh woh
SUGAR
I can almost reach mine now, now, NOW
Sugar
I'm a self fulfilling porno queen yeah
I mimic out yr every fucking fantasy yeah yeah
And now, And now,
Here is my head I'm on my knees
Oh baby! Why can't I ever get my Sugar?
What are you afraid of?
WHAT are YOU afraid of?
What ARE you afraid of?
WHAT ARE you AFRAID OF?
sugar
I want mine right here right now
SUGAR
I won't play girl to your boy no more, sugar
I can almost reach it now, now, now
Sugar
