

Something in the Night

Bruce Springsteen

Oh

Oh

Oh

Oh

Woah

I'm riding down Kingsley

Figuring I'll get a drink

Turn the radio up loud

So I don't have to think

I take her to the floor

Looking for a moment when the world

Seems right

And I tear into the guts

Mmh, of something in the night You're born with nothing

And better off that way

Soon as you've got something they send

Someone to try and take it away

You can ride this road 'til dawn

Without another human being in sight

Yeah, just kids wasted on

Oh, something in the night Oh, nothing is forgotten or forgiven

When it's your last time around

I got stuff running 'round my head

That I just can't live down When we found the things we loved

They were crushed and dying in the dirt

We tried to pick up the pieces

And get away without getting hurt

But they caught us at the state line

And burned our cars in one last fight

And left us running burned and blind

Hmm, chasing something in the night
