Ordinary Life (Gabry Ponte Remix)

Liquido

What has come of you
Fading into gloom
Blackening everything
That we achieved
Thought I felt kill
An underrated skill
Catching but heavily
Quite a disease
Giving some crap
It is to show you
Where my head is at
It's but a shameThis is some
Ordinary life
Some ordinary life
Some ordinary life
Some ordinaryNow I know the score
The storyline you store
Has but an end
That you will not release
Requiring a plan
Some pattern for the clan
And nothing is quite
What it seems
Didn't I swear
It such a beautiful dress
That you wear
It's but a gameThis is some
Ordinary life
Some ordinary life
Some ordinary life
Some ordinary life
Some ordinary
