

Temptation

Godsmack

Oh, shitIt crawls down deep inside
Without a pulse or a will to die
Not known to sympathizeAnd now it takes what it takes
And let's the feeling suffocate
It's nothing new it'll get its wayAnother thing that I see is
How it gets inside of me
And tears away my lifeIt's time to love, it's time to hate
It's coming face to face trying to desecrate
No time at all to break away
Temptation, still got a hold on meIt's awake even when you sleep
It breaths without a heartbeat
Making me incompleteAnd now, I know what I know
Expect the demon down below
To surface through my mortal soulAnd now it looks to be smiling
As it's killing me
Day to day, eye to eyeIt's time to love, it's time to hate
It's coming face to face trying to desecrate
No time at all to break away
Temptation, still got a hold on meIt's time to love, it's time to hate
It's coming face to face trying to desecrate
No time at all to break away
Temptation, still got a hold on meIt's time to love, it's time to hate
It's coming face to face trying to desecrate
No time at all to break away
Temptation, still got a hold on me
It's coming face to face trying to desecrate
No time at all to break away
Temptation, still got a hold on me
