

# Left My Heart In Tokyo

## Mini Viva

Step up here to me  
Am I dumb enough to believe  
When somebody says jump on this  
Would you follow them on your knees?  
Am I wrong or right  
To be dancing with you tonight?  
Said I'm done with his fantasies  
What I got is my sanity  
My baby knows what I want  
He's gettin' me in my thing  
He better take what I got  
Or he won't see me again  
'Coz there's been too many guys  
Just making moves on the floor  
My baby's reading my mind  
He knows that I'm needing more  
I left my heart in Tokyo  
Down by the river, don't you know?  
I had to let it go  
Nobody know, know, knows  
That I left my heart in Tokyo  
Down by the river, don't you know?  
I had let it go  
Nobody now can bring it home  
(Nobody now can bring it home)  
(Nobody now can bring it home)  
Seventeen and dumb  
Look at me, I know right from wrong  
You and me, we got something on  
And I don't need to hear that, come, come  
Seventeen and dumb  
Look at me, I know right from wrong  
You and me, we got something on  
And I don't need to hear that, come, come  
Micky Mouse with the diamonds in the right sack  
Give it time, and I'm gonna get you right back  
So the signs says, I never ever fight back  
I keep it tight cause I know you really like that  
Do it right, and you know I'm gonna hype it

For the rhymes and the sickas that you write back  
(Write back, write back, write back, write back)  
(Write back, write back, write back, write back)  
(Write back, write back, write back, write back)

I left my heart in Tokyo  
Down by the river, don't you know?  
I had let it go  
Nobody know, know, knows  
That I left my heart in Tokyo  
Down by the river, don't you know?

I had let it go  
Nobody now can bring it home  
I left my heart in Tokyo  
Down by the river, don't you know?  
I had let it go  
Nobody know, know, knows  
That I left my heart in Tokyo  
Down by the river, don't you know?

I had let it go  
Nobody now can bring it home  
(Nobody now can bring it home)  
(Nobody now can bring it home)  
Six, six, six, six, six, so tight off the best stress  
Didn't really want to keep it for the rest, uh-uh, oh  
So I skipped to the next best  
Didn't really know that I was gonna end up here

I left my heart in Tokyo  
Down by the river, don't you know?  
I had let it go  
Nobody know, know, knows  
That I left my heart in Tokyo  
Down by the river, don't you know?

I had let it go  
Nobody now can bring it home  
I left my heart in Tokyo  
Down by the river, don't you know?

I had let it go  
Nobody know, know, knows  
That I left my heart in Tokyo  
Down by the river, don't you know?  
I had let it go  
Nobody now can bring it home  
(Nobody now can bring it home)  
(Nobody now can bring it home)
