Soul Kitchen

David Lee Roth

Well, the clock says, "It's time to close now"
I guess I'd better go now
I'd really like to stay here all nightThe cars crawl past all stuffed with eyes
Street lights share their hollow glow
Your brain seems bruised with numb surpriseStill one place to go
Still one place to goLet me sleep all night in your soul kitchen
Warm my mind near your gentle stove
Turn me out and I'll wander, baby
Stumblin' in the neon grovesWell, your fingers weave quick minarets
Speak in secret alphabets
I light another cigaretteLearn to forget, learn to forget
Learn to forget, learn to forgetLet me sleep all night in your soul kitchen
Warm my mind near your gentle stove
Turn me out and I'll wander, baby
Stumblin' in the neon grovesWell, the clock says, "It's time to close now"
I know I have to go now
I really want to stay here
All night, all night, all night
