

Are You Ever Gonna Love Me

Holly Dunn

I've been waiting for you baby
You've been taking your time too long
Don't be so shy, ooh it's alright
This is one night you can't go wrong
Are you ever gonna love me? Are you ever gonna come around?
I gotta know, I gotta know, I gotta know
If you ever want to hold me, then you gotta stop holdin' out
If you're gonna love me, love me now
I see others being lovers
Will that ever be you and me?
Please don't make me wonder baby
Yes, no, maybe, what will it be?
Are you ever gonna love me? Are you ever gonna come around?
I gotta know, I gotta know, I gotta know
If you ever want to hold me, then you gotta stop holdin' out
If you're gonna love me, love me now
