

Hard Fucking

Tenacious D

We should talk about the hard fucking no
The hard fucking?
Because i think it's pretty common complaint
Yeah the ladies don't really like the hard fucking
You feel like your giving them some extra juice
Their not in to that
You think your like taken it to the limit
Maybe they are though in to that
You know what the test is?
You just say get on top honey
You do what you like
And then sometimes she'll be fucking you really hard
Its like well wait you like that? You like that?
Slow down im going to spurt! AHH UHH Sorry
You shouldn't have fucked me so hard.
