

Little Woman Love

Paul McCartney

I got a little woman I can really love
My woman fit me like a little glove
You know I'll always love
My little woman love
I take her home 'most every night
My woman love to hold me tight
You know I feel alright
My little woman mine
Oh yeah, oh yeah
Oh, oh, oh
Oh yeah, oh yeah
Oh, oh, oh

I got a little woman I can really love
My woman fit me like a little glove
You know I'll always love
My little woman love
Oh yeah, oh yeah
Oh, oh, oh
Oh yeah, oh yeah
Oh, oh, oh
I take her home 'most every night
My woman love to hold me tight
You know I feel alright
My little woman mine
