

# Phoebe Cates

## American Pie 2 Soundtrack

Don't wanna hang around anyone today  
I'm sick of playing the same old games  
'Cause I know I can't win them anyway  
And I will dream a different lie  
Stuck in between her thighs  
And wonder just when I will meet her  
All I really need is someone like Phoebe  
Someone to excite my fantasy  
And every night I'll dream that she is here with me  
And I will be the only one for her  
And I'm wasting time going blind  
Thinking she'll be mine tonight  
Wasting time going blind  
Thinking she'll be mine  
I've been in love since the day I saw fast times  
It's on a permanent rewind  
And can you guess my favorite part  
I used to like tossing off to her pool scene  
Now I'm kissing TV screens  
She's the only star who's touched my heart on  
All I really need is someone like Phoebe  
Someone to excite my fantasy  
And every night I'll dream that she is here with me  
And I will be the only one for her and I'm  
Looking for a fast time  
Watching out for bright lights  
Send me off to private school  
When I'm with you it's paradise  
Looking for a fast time  
Watching out for bright lights  
Send me off to private school  
When I'm with you it's paradise  
When I'm with you it's paradise  
When I'm with you it's paradise  
When I'm with you it's paradise  
All I really need is someone like Phoebe  
Someone to excite my fantasy  
And every night I'll dream that she is here with me  
And I will be the only one for her

And I'm wasting time going blind  
Thinking she'll be mine tonight  
Wasting time going blind  
Thinking she'll be mine tonight  
Wasting time going blind  
Thinking she'll be mine tonight  
Wasting time going blind  
Thinking she'll be mine tonight
