

# I Don't Think So

## Dinosaur Jr.

In the morning it's the last time  
That I saw her face  
In that special way to me Without a warnin'  
She pulled every trick to name a few  
What was I supposed to be? I'd like to think she cried for me  
But I don't know  
Her memories won't let me be Just can't let go, in the morning  
Is when I think about her  
Could it be she cried for me?  
I don't think so In the evening, I don't think  
It was a peaceful scene  
Seemed to me a little rough She was leavin'  
But she forgot to leave a piece of me  
I didn't know she was that tough I don't know why she'd see me  
I don't know what else to be  
I'd like to think she cried for me But I don't know  
Her memories won't let me be  
Just can't let go in the morning Is when I think about her  
Could it be she cried for me?  
I don't think so Is there something that  
I could do to make her feel a thing ?  
I don't know what to expect Guess, there's one thing  
I got left but then I could be wrong  
Maybe that's the thing she wrecked I don't know why she'd see me  
I don't know what else to be  
Hope she's diggin' being free But does she cry for me ?  
I don't know  
Her memories won't let me be  
I just can't let go But in the morning  
Is when I think about her  
Could it be she cried for me ? I don't know I'd like to think  
She cried for me  
I don't think so
