

# Don't Let Go (feat. Mikky Ekko)

Giorgio Moroder

There's a fire, there's a fire  
There's a fire and I'm wild  
And it yearns and it rolls like a tide  
Sweet undertow  
And we burn, and we burn  
And we burn to the ground  
Every bridge, every road, that we've found  
We've no way home I feel the pressure coming down on me  
The only question,  
Can there be harmony without a lesson?  
Without losing control? Don't let go, it's time for us to finally see  
We can't stop until our minds are free  
There, we're hanging by a thread of hope  
Don't let go, my sisters and my brothers weep  
Don't have to read the signs to see  
That the blood on the leaves you sat on  
Don't let go There's a cage, there's a cage  
There's a cage with no key  
Like a stranger who's locked in a dream  
With no way out  
So we wait, and we wait  
And we wait for so long  
We forget that we severed a song  
We used to sing I feel the pressure coming down on me  
The only question  
Can there be harmony without a lesson?  
Without losing control? Don't let go, it's time for us to finally see  
We can't stop until our minds are free  
There, we're hanging by a thread of hope  
Don't let go, my sisters and my brothers weep  
Don't have to read the signs to see  
That the blood on the leaves you sat on  
Don't let go Don't let go, don't let go  
Don't let go Don't let go, it's time for us to finally see  
We can't stop until our minds are free  
There, we're hanging by a thread of hope  
Don't let go, my sisters and my brothers weep  
Don't have to read the signs to see  
That the blood on the leaves you sat on

Don't let goDon't let go  
Don't let go, don't let go  
Don't let go, don't let go  
Don't let go, don't let go
