All for You

The Secret Handshake

One !
Everybody here is routing for you.
Two !
We all wana see how good your gonna do.
Three!
Just hold on tight and you'll be alright.
Four !
After you made it were going home tonight.One !
I know that it's easy to be nervous.
Two !
I know that your so so scared.
Three !
And I know just how hard you've practiced and baby were almost there.Your gona do it, do it, ohhh.
Alright, your gona make it, make it, ohhh.
Tonight, and even though they said you never ever make it they were wrongggg.And i believed in you before you believed in yourself.
You can do anything you wana do.
And i believed in you before you believed in anyone anyone else.ahhhh ooooh.One !
I know that it's easy to be nervous.
Two !
And I know that your so so scared.
Three !
And I know just how hard you've practiced and baby were almost there.Your gona do it, do it, ohhh.
Alright, your gona make it, make it, ohhh.
Tonight, and even though they said you never ever make it they were wrongggg.And I know things have been so hard for you and me but soon they'll be done....
and they'll be gone.....
(2x's)Your gona do it, do it, ohhh.
Alright, your gona make it, make it, ohhh.
Tonight, and even though they said you never ever make it they were wrongggg.
(3x's)
