Guess I'll Move On Down The Line

Bobby Bare

Stick my thumb out catch a ride maybe this time I'll be satisfied
Find a new town bout a mile maybe this time I will stay a while
Then if no one wants this restless heart of mine
Guess I'll move on down the line guess I'll move on down the line
Been to Memphis and St Joe but I won't be goin' there no more
Seen the bright lights and the shows seen the people in their fancy clothes
But I can't get use the big city wine
Guess I'll move on down the line guess I'll move on down the line
[dobro]
Tired of ridin' trucks and trains tired of hobo livin' aches and pains
Need a place to settle down need a place to put my feet on the ground
But till I get to rest this restless soul of mine
Guess I'll move on down the line guess I'll move on down the line
Guess I'll move on down the line
