You Own Me

Sense Field

You say it's nothing personal
As you break out
And you lay out your whole arsenal
I fell hard for you
I count scars from you
You play with my life
And I pay with my life[Chorus]
Everything keeps telling me to run away
Now you own me
And everything keeps telling me to run, run away
Now you own me
And everything keeps telling me to run, run, run
I never listen
And everything keeps telling me to run, run away
Now you own me
Now you own meI hate it how I let it control me from so far away
I can't wait for the day
You won't be able to say
That you made me pay
With these words that you use
And the things that you say
You whisper in my ear
You bring me to tears
You bring me to tears[Chorus]And everything keeps telling me to run, run, run
And everything keeps telling me to run, run, run
And everything keeps telling me to run, run, away
And everything keeps telling me to run, run, away
