

# Blue Skies (Flux Pavilion Remix)

Jamiroquai

So these are the figurines  
Acting out all the scenes before my eyes  
I thought I knew them all by name  
But they started looking much the same  
And it's no surprise But I don't wanna listen  
Too much  
How can I give up on all the days I know I've won  
There's nothing but rainbows  
I believe in the shadows Now honey  
Thought I might be dropping out  
But now I am gonna work it out  
I am gonna work with me  
I am runnin' like it looser  
Then I'm rolling like sea rusty ship on a stormy sea You know that people are saying  
Strange things Talk to the hand 'cause I know you think the face is gone I don't wanna listen  
Too much  
I'm not gonna give up on all the days I know I've won  
There's nothing but blue sky  
There's nothing but blue sky Nothings gonna stop me now  
I am skimming like a skipping stone on a silver lake  
I take it when the chips are down  
But to play the perfect happy clown  
You gotta make a mistake (gotta make mistakes) People are saying  
Strange things  
And I don't wanna listen (i don't wanna listen)  
Too much yeah Nothing but blue sky  
Blue sky How can I tell you I know this wont be the last song  
I don't wanna listen (i don't wanna listen)  
Too much  
Not gonna give up on the days I know I've won That's where I am going  
'Cause there is nothing nothing but blue sky  
That's where I am going  
Nothing but  
Rainbows falling down on me uh yeah heyyy Nothing but blue sky  
Can't you see  
That's where I am going  
Got to believe me  
That's where I am going
