

Waiting In The Wings

Shayne Ward

Tell me, what we, doing here anyway
It seems like, for too long, we've been playing these games When I read out to touch you, my hand starts to
shake,
Cause it hurts to be this close, but so far away It's like I'm in the shadow of his mistakes But I don't got a
lifetime waiting for you heart to melt
Cause baby can't you see it's me that you're damaging
I'm opening my heart, and now I'm risking everything
So baby don't you leave me, waiting in the wings I know, he hurt you, but baby, he ain't me
And I hope, someday, you'll find faith in me I'm so desperate to touch you, I'd do anything
Can't expect, that my chances, are slowly vanishing As the lights go on and I take the stage
I gotta find the words to say But I don't got a lifetime waiting for you heart to melt
Cause baby can't you see it's me that you're damaging
I'm opening my heart, and now I'm risking everything
So baby don't you leave me, waiting in the wings Ohoo ohoo Ohoo ohoo But I don't got a lifetime waiting for
you heart to melt
Cause baby can't you see it's me that you're damaging
I'm opening my heart, and now I'm risking everything
So baby don't you leave me, waiting in the wings Ah ah ah
Ah ah ah I'm opening my heart, and now I'm risking everything
So baby don't you leave me, waiting in the wings
