Submission

Moving Units

Remember the romance
Remember the danger
Remember the romance
Remember the danger

There is submission and
There is condition so there

It's all the same (The treasure)
We touch and we play (The pleasure)
It's tender today (So tender)
But it will decay (Remember)
Because

We are an aberration
We are no longer
We are degenerating
We are vulgar
We are disintegrating
We are vulgar

Remember the Romans
Remember the danger

Push it in
Pull it out

We are no longer (Emotions)
