

# Die Born

## Days of the New

I am cold and I don't know why  
Said you gotta keep me warm  
You will run, run from my eyes  
They stare you down and make you burn  
I am the king, the king of the jungle  
I'm the little dog  
Said the king of the jungle  
Makes me humble, yeah  
I will not die born and I will not go down  
This is not my home for it ain't feels at all  
It ain't feels at all, it ain't feels at all  
It ain't feels at all  
Keep me running, keep me running wild  
Keep me innocent  
The sand is hot, yes it burns my feet  
I said, I'm a little tired  
Don't know what I'm gonna do with this  
I am gonna run  
Make it worth, make it worth my while  
Make it worth, worth my while  
I will not die born, I will not go down  
'Cause this is not my home for it ain't feels at all  
Said I will not die born, I will not go down  
This is not my home for it ain't feels at all  
It ain't feels at all, it ain't feels at all  
(It ain't feels at all)  
It ain't feels at all, yeah  
(It ain't feels at all)  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, oh  
Keep me running, keep me running wild  
I am wild dog  
Said it gets me high, it gets me around  
Everybody's walls  
I don't feel no pain 'cause I am numb  
Numb from the fall  
It's hard for me to make a little change  
I don't have to change at all  
I will not die born and I will not go down  
This is not my home for it ain't feels at all  
Said I will not die born, I will not go down  
This is not my home for it ain't feels at all  
It ain't feels at all, yeah it ain't feels at all  
Said it ain't feels at all
