

# Lies

## Band of Skulls

All that you started will carry on, honey  
You throw in a little, a lot upon, you fool me  
You're givin' it up and you're movin' on  
Cause you wanna be free  
You're gettin' so easy to read  
Lies are the truth  
That you tell to yourself  
Watch other fools  
Who can take what they're dealt  
You say it again just to rub it in, baby  
How can you not have a little fun, dark face honey  
Givin' it up and you're movin' on  
Cause you wanna be free  
You're gettin' so easy to read  
Lies are the truth  
That you tell to yourself  
Lies are the truth  
That you tell to yourself  
Watch other fools  
Who can take what they're dealt  
Lies are the truth  
That you tell to yourself  
Lies are the truth  
That you tell to yourself  
Watch other fools  
Who can take what they're dealt
