

# Paralyzing Kings (The Autumn Effect)

## 10 Years

The death of a king  
Alluring lassos  
Slide on so smooth  
Tension made of razors  
Dragging across you  
The flushing of eyes  
Couldn't cleanse your abrasions  
Deep inside consumed with guilt  
I'm clothed in a bed of blankets  
Dream suspicious strangers over night[Chorus]  
Righteous pharisees befriending  
Silent movements mar re injuring god  
The taste of absent minded actions  
Outweigh forgiveness Bridging a widow in spite of her venom  
I've failed to mention your soul  
Three becoming two  
Such a left in criminal  
Only the mind of the temptress knows  
Actions are my remorse for amnesia[Chorus] So close to healing the weak  
Turning into the enemy  
Paralyzing kings We are so self[Chorus]
