

# Juliet

Robin Gibb

I steal the night away  
Driving my life away, dancing  
I was a Romeo  
I knew the art of romancing  
I was just one of the guys, and I thought I had it made  
I needed someone to show me how to love Juliet  
Oh, Juliet  
The night was magic when we first met  
Juliet  
Oh, Juliet  
You know you taught me to fly  
You take me clear to the sky  
And all the people around the world can stand aside  
For me and my baby  
J-J-J-Juliet Fighting with destiny  
Fortune and fame, but kept losing  
Playing a joker's game  
Only myself I was fooling  
I was an average guy in a world of empty dreams  
You've broken down all the walls with your love J-J-J-Juliet  
Oh, Juliet  
This kind of loving you don't forget  
Juliet  
Oh, Juliet  
You know you taught me to fly  
You take me clear to the sky  
And all the people around the world can stand aside Close your eyes, Juliet  
Don't let go  
On and on, our love is like the sun  
It keeps on going strong throughout eternity I wanna love you in my life  
Sweet Juliet  
Living without love in my life  
My girl Juliet J-J-J-Juliet  
Oh, Juliet  
This kind of loving you don't forget  
Juliet  
Oh, Juliet  
You know you taught me to fly  
You take me clear to the sky

And all the people around the world can stand aside Juliet

Oh, Juliet

This kind of loving you don't forget

Juliet

Oh, Juliet

Ooh Oh-oh-oh-oh-oh, oh-oh-oh

Oh-oh-oh-oh-oh, oh-oh-oh

Oh-oh-oh-oh-oh, oh-oh-oh

Juliet

Oh, Juliet

This kind of loving you don't forget

Juliet
