

Dancing shoes

[Dan Fogelberg](#)

Dancing shoes
On the wall above your bedside
Saw it all as we performed our pirouette
Fleshes fused
As the flicker of the candles
Threw upon the wall a single silhouette. Tu es dan ma coeur et dans ma t^{te}_{1/2}Dancing shoes
We have loved on distant beaches
Where the winter never reaches
There we fell
Dying swan
On the dawn you danced before me
Though your eyes were dark and stormy
I stood still. Qui peut dire le faux et le rael?
Dancing shoes
Though the distances divide us
There's a paradise inside us
We can't lose.
