

# Weight In Gold (ATTLAS Remix)

## Gallant

black dust in orbit cascades down like a parachute  
bricks on my shoulders, this gravity hurts when you know the truth I'm pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own  
pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own we dreamt like martyrs

I never thought I was bold enough.  
you pushed me further  
and I take the blame for the both of us I'm pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own  
pulling my weight in gold  
call me anxious, call me broke  
but I can't lift this on my own
