

Love to Love You Baby

Donna Summer

I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby When you're laying so close to me
There's no place I'd rather you be than with me I love to love you baby
I love to love you baby
I love to love you baby Do it to me again and again
You put me in such a awful spin, in a spin I love to love you baby
I love to love you baby
I love to love you baby Lay your head down real close to me
Soothe my mind and set me free, set me free Uh, love to love you baby
Uh, love to love you baby
Uh, love to love you baby
Uh, love to love you baby
Uh, love to love you baby
Uh, love to love you baby When you're laying so close to me
There's no place I'd rather you be than with me I love to love you baby
I love to love you baby
I love to love you baby Do it to me again and again
You put me in such a awful spin, in a spin I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby
