

Cake and Eat It

David Gray

I want all my cake and eat it
I want all my cake and eat it
And I want all my cake and eat it I want all my
I want all my Work like a worm in the furrow
Dive like a bird in the wake
Live like there ain't no tomorrow 'Cause I want all my
Yeh I want all my
And I want all my Don't know the meaning of
Don't know the meaning of
Don't know the meaning Don't know the meaning of
Don't know the meaning of
Don't know the meaning Don't know the meaning of
Don't know the meaning of
Don't know the meaning of Yeah yeah yeah
Yeah yeah yeah
Yeah yeah yeah yeah (Yeah yeah) I want all my cake and eat (yeah yeah yeah)
I want all my cake and eat (yeah yeah yeah)
I want all my cake and eat (yeah yeah yeah yeah) I want all my
I want all my
I want all my
