Natalie Portman

Ozma

i'm telling you a story now
of something that's wrong
this has been developing
since nineteen eighty-one
maybe she's alone
maybe she's alone
what can i do?
what can i do?
there's nothing
there's nothing
there's nothing i can do
there's nothing
there's nothing
there's nothing i can do
if i'm a proper jewish boy
will her family love me?
can't stand to see her on the big stage
and know she's not thinking of me
maybe she's alone
maybe she's alone
what can i do
what can i do
there's nothing
there's nothing
there's nothing i can do
there's nothing
there's nothing
there's nothing i can do
maybe she'll be hearing this

but probably she won't (probably she won't)
possibly she has desires
but probably she don't (probably she don't)
maybe she's alone
maybe she's alone
what can i do
what can i do
there's nothing
there's nothing

there's nothing i can do
there's nothing
nothing
there's nothing i can do
yeah
maybe she's alone
maybe she's alone
what can i do
what can i do
what can i do
what can i do
there's nothing
there's nothing
there's nothing i can do
there's nothing
there's nothing
there's nothing i can do
