Bittersweet

Fantasia

Every now and then I still get a flashback
Of the time I spent, thinkin' you could be that one
Should I have just kept your love?Yes, I understand, we did have some good times
On the other hand, got me cryin' all night
It was too much for my mindSo even though I left you
I can't forget you'Cause when I think about you
It's bittersweet, it's bittersweet
Guess I'll always love you
It's bittersweet, it's bittersweetWhen we were together
You ain't treat me right
Damn I really love you
I ain't gonna lie'Cause when I think about you
It's bittersweetI still have the box full of things you gave me
Start to throw it out, somethin' always stops me, yeah
I'm not as over you as I saidOh, deep inside my heart, I made the right decision
But it's gonna hurt when your mind is thinkin', oh
Did I make a big mistake?Even though I left you
I can't forget you'Cause when I think about you
It's bittersweet, it's bittersweet
Guess I'll always love you
It's bittersweet, it's bittersweetWhen we were together
You ain't treat me right
Then I really loved you
I ain't gonna lieWhen I think about you
It's bittersweetSee you have to understand
Like somebody is gonna get hurt
Out of this situation
And you just hope it's not youAt times part of me wants you, part of me don't
Part of me is missin' you, part of me is gone
Part of me is sayin' that the love is still strong
Part of me is lettin' goSo even though I left you
Can't forget youOh, when I think about you
It's bittersweet, it's bittersweet
Guess I'll always, I'll always love you
It's bittersweet, it's bittersweetWhen we were together
You ain't treat me right
Then I really loved you
I ain't gonna lieWhen I think about you
It's bittersweet

My love, my love, my love
It's bittersweetOh love, love can hide, love can hide sometimes
This shit is bittersweet, bittersweet
