

# Rattle That Lock

David Gilmour

Whatever it takes to break  
Got to do it  
From the Burning Lake  
Or the Eastern Gate  
You'll get through it  
Rattle that lock and lose those chains  
Rattle that lock and lose those chains  
Rattle that lock and lose those chains  
Rattle that lockLet's go do it  
Have it all our way  
Go back to where we blew it  
And lose our heads along the way  
So long Sin, au revoir Chaos  
If there's a Heaven it can wait  
So long Sin and au revoir Chaos  
If there's a Heaven...And all the other travellers  
Become phantoms to our eyes  
The furies and the revellers  
The fallen angels in disguise  
No Discord, Chance or Rumour  
Is going to interrupt this bliss  
No Discord, Chance or Rumour  
To interrupt this...So let's get to it  
It's calling like a flame  
Through the darkness and the night  
A world suspended on a golden chain  
No Discord, Chance or Rumour  
Is going to interrupt this bliss  
No Discord, Chance or Rumour  
To interrupt this...
