The Invisible Man

Queen

I'm the invisible man, I'm the invisible man, Incredible how you can, See right through me,

When you hear a sound, That you just can't place Feel somethin' move That you just can't trace,

When something sits
On the end of your bed
Don't turn around
When you hear me tread.

I'm the invisible man, I'm the invisible man Incredible how you can See right through me

I'm the invisible man I'm the invisible man It's criminal how I can See right through you.

Now I'm in your room And I'm in your bed And I'm in your life And I'm in your head

Like the CIA
Or the FBI
You'll never get close
Never take me alive

I'm the invisible man I'm the invisible man Incredible how you can See right through me I'm the invisible man I'm the invisible man It's criminal how I can See right through you,

Hah, hah, hah, hello,
Hah, hah, hah, hello-hello-hello,
Never had a real good friend - not a boy or a girl

No-one knows what I've been through - let my flag unfurl
So make my mark from the edge of the world,
From the edge of the world,
From the edge of the world,

Now I'm on your track And I'm in your mind, And I'm on your back But don't look behind

I'm your meanest thought
I'm your darkest fear
Put I'll never get caught
You can't shake me, shake me dear,

I'm the invisible man, I'm the invisible man Incredible how you can See right through me

I'm the invisible man I'm the invisible man It's criminal how I can See right through you

Look at me, look at me
