Look here's a rose 4 u

Look here's a rose I've been looking all over
I've been looking all over
I've been looking all over, all over
For the man to be I've been looking all over
I've been looking all over
I've been looking all over, all over
For the man to be
I've been longing for year after
I've been longing for year after
I've been longing for year after year

Now you're right here in front of me I've been longing for year after
I've been longing for year after
I've been longing for year after year

Now you're right here in front of me Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose
I've been looking all over
I've been looking all over
I've been looking all over, all over
For the man to be I've been looking all over
I've been looking all over
I've been looking all over, all over
For the man to be Oh and yeah it's you
Makes it right
In the middle of the night
Middle of the night
Middle of the night

You
Makes it right
In the middle of the night
Middle of the night
Middle of the night
You
Makes it right
In the middle of the night
Middle of the
Middle of the night Why is it so easy to gently let me down?
(Oh you can take it back)
No longer a man of your word
(Oh you can take it back)
So quickly a new bed found Why is it so pleasing to move from station to station?
(Oh you can take it back)
So take back your rose
(Oh you can take it back)
And receive my congratulations Take back
Take back Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u In the middle of the night
When you leave
No longer by my side
Waking me up with fright
When you leave
No longer by my side
In the middle of the night
When you leave
No longer by my side Here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose 4 u
Look here's a rose Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u Here's a rose 4 u
Here's a rose 4 u
Here's a rose 4 u

Here's a rose 4 u
