

Stranger (OST Switched at Birth s01e07)

[Katie Costello](#)

Stranger I've known you for so long
I found you lost with a compass in the fog
Stranger you know me too much
Illusionary self had not been touched, until you Humming Hallelujah in the dark
Whispered poems leave you to be
Humming Hallelujah in the night
The sun might rise, as sometimes does it fall Hallelujah, hallelujah Stranger you've followed me so far
Until the roads converged, as did the stars
Stranger the moon looks blue tonight
Your photo framed, raw within my mind, not tonight Humming Hallelujah in the dark
Whispered poems leave you to be
Humming Hallelujah in the night
The sun might rise, as sometimes does it fall Hallelujah, hallelujah, hallelujah, hallelujah Humming Hallelujah in
the dark
Whispered poems leave you to be
Humming Hallelujah in the night
The sun might rise, as sometimes does it fall Hallelujah.
