

Sharpshooter (Alternate Version)

[Motörhead](#)

Like a sniper, I've got my sights on you
Windscreen wiper, there ain't no spoiling my view
Silver bandolier, my profession's clear
Sharpshooter, sharpshooter, sharpshooter, hey Infrared vein, don't you come out at night
Infrared chain, ah, you're 'bout to buy your life
Silver pistol too, with a notch for you
Sharpshooter, sharpshooter, sharpshooter, hey You're the contract, I'm gonna nail you down
I'm the contact, with your final round
And I'm stalking you, and that ain't all I do,
Sharpshooter, sharpshooter, sharpshooter, ah-ah
Sharpshooter
Sharpshooter
Sharpshooter
Sharpshooter
