

# Will My feet Still Carry Me Home

## Elf Power

I wished it all away  
Nothing here but empty space  
Nothing left to fill my eyes  
No more movements in the night  
We're all alone here  
Fighting through the days  
We erase our own fears  
You, I cannot save  
I don't know which way to go  
Will my feet still carry me home?  
Now I am finally  
Free to wander endlessly  
Free to ride the waterfall  
Free to climb the mountain tall  
We're all alone here...I don't know... (2x)
