For Beginners

M. Ward

When you're absolute beginners
It's a panoramic view
From her majesty Mount Zion
And the kingdom is for you
Uh huh, uh huhWhen you tumble upon that valley
Shark or sparrow line the stairs
When the arrows start descending
Then they scatter everywhereOn a bookshelf in Caledonia
Sits a map of passageways
Best to stumble upon Mount Zion
To behold the natural gates
Uh huh, uh huhThey say the original sinners
Never felt a drop of pain
Until that second in the garden
Then they felt it each and every daySo draw back your bows you hunters
Who have never felt that plain
All the absolute beginners
They are safe in the shade for today
Uh huh, uh huhWhen you're absolute beginners
It's a panoramic view
From her majesty Mount Zion
And the kingdom is for you
Uh huh, uh huh, uh huh, uh huh, uh huh
