

Don't (album version)

M2M

When you walked in my world, I was someone else's girl.
Everytime, you look in my eyes, all that I felt somehow dies.No, no, no, no
Can't you see what you're doin' to me?
No, no, noDon't look at me with that smile.
Don't act like everything's fine.
Stop putting dreams in my head.
When I should have thought of him instead.When you say, the things you do, it makes me want to be with you.
And everytime that he kisses me, you are always what I see.No, no, no, no
You make me forget about him.
No, no, no, noDon't look at me with that smile.
Don't act like everything's fine.
Stop putting dreams in my head.
When I should have thought of him instead.
When I should have thought of him instead.No, no, no, no
Can't you see what you're doin' to me?
No, no, no, noDon't look at me with that smile.
Don't act like everything's fine.
Stop putting dreams in my head.
When I should have thought of him instead.Don't look at me with that smile.
Don't act like everything's fine.
Stop putting dreams in my head.
When I should have thought of him instead.
When I should have thought of him instead
