

Your Body Is Mine

[Amanda Perez](#)

Uh your body is mine
Ohh whoa ohh whoa yeah yeah yeaaaahhhhhU can come in an close the door
'Cause u won't have to worry
Bout letting them know more
'Cause in the spotlight up and down ur spine
And being romantic I'm gonna piss off ur love life 'Cause u look so fine look so fine to me
That's why tonight ur body mine
Tonight ur body is mine boy whu u gotta be looking so fine
With ur body looking sexy I want u to come and caress me
Boy I ain't wasting no time 'cause tonight ur body's mine We can make sweet love at the dinering candlelight
'Cause tonight is my night
Wanna pour more wine all down your chest
And I guarentee after this night it will be a night
That you'll never forget
('Cause u lookin so looking so fine) Tonight your body is mine boy why u gotta be lookin so fine
With ur body looking sexy I want u to come and caress me
Boy I ain't wasting no time 'cause tonight ur body's mine Tonight ur body is mine boy why u gotta be looking
so fine
With ur body looking sexy I want u to come and caress me
Uhh I'll touch u all of ur body where the good lovers touch
It might but I guarentee it'll make u blush
I'll run my fingers through
Touch u on your body 'cause I know u don't care
And if u want a key I'll guarentee that I'll be there
We can dive by the ocean
Pull over and I'll rub u with that's my debotion
To fill your emotion enter the AP love potion
Boy ain't nothing wrong we can do some bump and grind
We can do this pick it's your thing
But tonight your body is mine mine Tonight your body is mine boy why u gotta be lookin so fine
With ur body looking sexy I want u to come and caress me
Boy I ain't wasting no time 'cause tonight ur body's mine
