She's A Bomb

Reamonn

She feels electric
To the touch
Sugar coated lemon drop
Is how she looks
Strange and eclectic
A little much
Every second counts
Before your time is up
Your time is up
Come on come on
Come on come on
Come on come onYou can hear her
Tic Tic Tic TicShes a bomb and
shes gonna explode
Shes sky-rocket
Shes overload
No need to whisper cause
She already knows
Yeah shes too hot to handle
But you cant let go
So come onYouve been infected
By her touch
Racing through your veins
Youll never get enough
You Get Enough
Come on come on
Come on come on
Come on come onYou can hear her
Tic Tic Tic Tic Tic Tic Tic TicShes a bomb and
Shes gonna explode
Shes sky-rocket yeah
Shes overload
No need to whisper cause
She already knows
Yeah shes a to hot handle
But you cant let go
Come on come on
Come on come onTic tic boom
Tic tic boom

Tic tic boom
Tic tic boom
Shes a bomb and
Shes gonna explode
Shes loves addiction
And you have overdosed
Shes a bomb and
Shes gonna explode
Shes a bomb and
Shes gonna explode
