

Not Guilty

Mandisa

I stand accused
There's a list a mile long
Of all my sins
Of everything that I've done wrong
I'm so ashamed

There's nowhere left for me to hide
This is the day
I must answer for my life
My fate is in the Judge's hands
But then He turns to me and says

I know you, I love you
I gave My life to save you
Love paid the price for mercy
My verdict not guilty

How can it be?
I can't begin to comprehend
What kind of grace
Would take the place for all my sin?

I stand in awe
Now that I have been set free
And the tears well up
As I look at that cross
'Cause it should have been me

My fate was in the nail scarred hands
He stretched them out for me
And said

I know you, I love you
I gave My life to save you
Love paid the price for mercy
My verdict not guilty

I'm falling on my knees to thank You
With everything I am I'll praise you
So grateful for the words I heard

You say

I know you, I love you
I gave My life
I know you, I love you
I gave My life just to save you
Love paid the price for mercy
My verdict not guilty

Love paid the price for mercy
My verdict not guilty, not guilty
