

Juliet of the Spirits

The B-52's

Juliet I can feel your glow
Of passions ready to explode
Secrets you've kept should all be told
Like blossoms ready to unfold Juliet you're not afraid anymore
Juliet, Juliet, I'm not afraid anymore [Chorus]
Sweet love's coming on
Girl can you hear it?
Steppin' into sunshine
Juliet of the Spirits Pleasure is calling you
Girl can you hear it?
Sweet love honey's what you need
Juliet I can feel it Spirits let your cool light shine
Visions swirling let me tell you mine
You're a force of nature can't be controlled
You know you've got it girl, come on and let it show Juliet you're not afraid anymore
Juliet, Juliet, I'm not afraid anymore [Chorus] Pleasure is calling you
Girl can you hear it?
Sweet love honey's what you need
Juliet I can feel it
Lady be cool
Set your pleasure free
Lady don't you be a fool
Let your pleasure go-go-go-go
