

Out of Reach (feat. Lucy Kitchen)

Technimatic

We are all searching
And I thought that I found you
And sometimes we're all hurting
 Just trying to see it through
 Sometimes you leave me aching
 Aching and confused
And we are all hoping for love, for love
 Don't turn away from me
I'm reaching out, I'm reaching out
 Just give yourself to me
I need you now, I need you now
 We are all trusting
 That love will see us through
 And I thought you saw in me
 Something I found in you
 And sometimes we fight for it
 Till we're bloodied and bruised
So why don't we risk it all for love, for love
 Don't turn away from me
I'm reaching out, I'm reaching out
 Just give yourself to me
I need you now, I need you now
There are walls and there are doors through which I cannot pass
 It doesn't matter if I love you with all my heart
 There will always be a part of you
 Just out of reach
 Just out of reach
