One Kiss

Jeronimo

Oh please, I'm begging on my knees
One kiss before you go
But all you say is no no no no
Please, I'm begging on my knees
One kiss before you go
But all you say is no no no no
(Jeronimo) Noooo, (Jeronimo) noooooo
All you say is no no no no no
(What) Noooo, (what) noooo
All you say is no no no no no (Jeronimo)

You got to tell her, what she wants to hear
You've got to move her deep inside her heart,
You've got to listen when she tries to speak
And tell her she's the bomb.
You've got to make her feel like she's the one,
You've to show her without her it's no fun,
You've got to make her see where she belongs
And tell here she's the bomb.

Oh please, I'm begging on my knees
One kiss before you go
But all you say is no no no no
Please, I'm begging on my knees
One kiss before you go
But all you say is no no no no
(Jeronimo) Noooo, (Jeronimo) noooooo
All you say is no no no no no
(What) Noooo, (what) noooo
All you say is no no no no no (Jeronimo)

You got to tell her, what she wants to hear
You've got to move her deep inside her heart,
You've got to listen when she tries to speak
And tell her she's the bomb.
You've got to make her feel like she's the one,
You've to show her without her it's no fun,
You've got to make her see where she belongs

And tell here she's the bomb.

Oh please, I'm begging on my knees
One kiss before you go
But all you say is no no no no
Please, I'm begging on my knees
One kiss before you go
But all you say is no no no no
(Jeronimo) Noooo, (Jeronimo) noooooo
All you say is no no no no no
(What) Noooo, (what) noooo
All you say is no no no no no
