

I Love You (Live Speakeasy 77)

Johnny Thunders

When I look in your eyes, I see words I can't describe
Every word I'm telling you and I tell you, I love you And oh, don't try to put me down
Oh, just because my back is turned all around
I'm playing it straight for once 'cause, baby I love you, I really do
There's no one like you an' baby I love, baby, I love you
No matter what I do, baby I love you and I tell you, I love you Oh, don't try to put me down
Oh, just because my back is turned all around
I'm playing it straight for once 'cause, baby I love you, I really do
There's no one like you an' baby I love, I love you An' baby I love you, I really do
No one like you, baby I love you
Baby I love you, baby I love you, baby I love you
Baby I love you, baby I love, baby I love you
No matter what I do, baby I love you and I tell you, I love you
