# Marry Me or Bury Me

## Scott Dawson

Marry me or bury me there is no other choice
You're the only girl for me say yes and I'll rejoice
Say no and I'll lay down to die
And draw my final breath
Marry me or bury me it's a case of life or death

Cause there are no other arms to hold me quite so tight
And keep me warm and cozy on a cold December night
There are no other lips to kiss me quite so sweet
You could brush me with a feather baby and knock me off my feet

Now is the time this is the place and I'm on blended knee
To offer you this diamond ring with this one simple plea
