

# Fork In the Road

Neil Young

Got a pot belly  
It's not too big  
Gets in my way  
When I'm driving my rig Driving this country  
In a big old rig  
Things I've seen  
Mean a lot Friend has a pickup  
Drives his kid to school  
Then he takes his wife  
To beauty school Now she's doin' nails  
Gonna get a job  
Got a good teacher There's a fork in the road ahead  
I don't know which way I'm gonna turn  
There's a fork in the road ahead About this year  
We salute the troops  
They're all still there  
In a fucking war  
It's no good  
Whose idea was that? I've got hope  
But you cant eat hope  
I'm not done  
Not giving up  
Not cashing in  
Too late There's a bailout coming but it's not for me  
It's for all those creeps watching tickers on TV  
There's a bailout coming but it's not for me I'm a big rock star  
My sales have tanked  
But I still got you  
Thanks

Sounds like shit Keep on bloggin'  
'Til the power goes out  
Your battery's dead  
Twist and shout On the radio  
Those were the days  
Bring 'em back There's a bailout coming but it's not for you  
It's for all those creeps hiding what they do  
There's a bailout coming but it's not for you  
Bailout coming but it's not for you Got my flat screen

Got it repo'd now  
They picked it up  
Left a hole in the wall  
Last Saturday  
Missed the Raider's game  
There's a bailout coming but it's not for you  
There's a bailout coming but it's not for you  
It's for all those creeps hiding what they do
