Dearest

Benny Goodman Quartet

I hear you calling me dearest too
My dearest, I'm nearest, then I've ever been before
To have you calling me dearest once moreMy dearest, this picture
My own memory
Wishing this picture was realityWhere do I go from here? The Lord took you away
And if you could see my today, I will remember you
I will remember youMy dearest, sincerest
There's no one but you and
Here in my heart you're my dearest tooWhere do I go from here? The Lord took you away
And if you could see me today, I will remember you
I will remember youMy dearest, sincerest
There's no one but you and
Here in my heart you're my dearest too
