

# The One I Love

## Blonde Redhead

Love me black and blue,  
You got no care as mocking birds  
Stares me stares at you  
I don't know how to stay afloat  
Now you want to play  
Why I never heard the world  
I can be your moonlight  
I'm not in my dressShe does nothing all day  
But sit down and cry  
She touches the sky  
And wishes to play  
She does nothing all day  
But sit down and cry  
She touches the sky  
And wishes to play  
She does nothing all day  
But sit down and cry  
She touches the sky  
And wishes to play  
She does nothing all day  
But sit down and cry  
Sit down and cryLove me black and blue,  
You got no care as mocking birds  
I can be your moonlight  
I'm not in my dressShe does nothing all day  
But sit down and cry  
She touches the sky  
And wishes to play  
She does nothing all day  
But sit down and cry  
She touches the sky  
And wishes to play  
She does nothing all day  
But sit down and cry  
She touches the sky  
And wishes to play  
She does nothing all day  
But sit down and cry
