

Ode To You

Trapt

Won't you come over
I know that you want to
How does it feel to know i still want you
Why do we always seem
to want what we can't have?
Lessons learned
But did i listen to my heart
And it said still run back for more?
More

I've happy for you
I'm sure that he really loves you
But it breaks my heart to know i can't hold you
Yeah
It's just hard to think i'll never get the chance
To say you're mine
But every time you hear this song
You'll know you've made a mark on my heart
And my mind...
