

Blue Love (feat. Chaka Khan)

Rufus

Blue love, why'd you have to go and make me sad and blue
Love, you're the only one I gave it to and You can't believe that I'm dying for you
Can't you see I've been trying for you
I just can't stop this crying for you, ooh-ooh They say you never know love until somebody leaves you
You never know love until your baby leaves you
You never know love until your loves turns to Blue love, who could ever think that you would be untrue
Love, I'll do anything you want me to 'cause You can't believe that I'm trying for you
Can't you see I've been crying for you
I just can't stop this crying for you, oh you They say you never know love until somebody leaves you
You never know love until your baby leaves you
You never know love until your loves turns to blue I been hanging on such a long, long time
Waiting for the return of your smiling face
And the test and the time that changed every mind can't you see
That my world is an unhappy place
Oh this love in my heart is tearing me apart
Need ya here wit me how happy we could be
Together
Us forever They say you never know love until somebody leaves you
You never know love until your baby leaves you
You never know love until your loves turns to blue
