The Jerk

Joyce Manor

The sand, your shoes, your point of view
Erase your face in a dumb cartoon
Well I saw The Jerk but that stuff don't work
So you say it used to
But can you say it with a please?I wanna see what's going on
Over your shoulder but it all goes wrong
Don't say goodbye say you're not sure
Anything could ever come between the two of us
I would say the same thingIn the place with cakes and eight ball juice
Where I lost my place so I started over again
With some farmyard friends
Looked em dead in the eyes and said
I'm not like youI wanna see what's going on
Over your shoulder but it all goes wrong
Don't say goodbye say you're not sure
Anything could ever come between the two of us
I would say the same thing
